DYKE TV WANTS YOU!

DYKE TV, the trailblazing weekly public access cable television program, wants YOU to join its production team if you a) are creative; b) know how to get things done; and c) are ready to incite, subvert, organize and provoke with the power of dyke vision and anger. You will be expected to produce brilliant work for no salary. In exchange, you will make history and flourish. Positions include:

1. **FUND-RAISER:** You must be a born networker with contacts in the lesbian/gay community and, at least, some fund-raising experience. You will create a short and long term fund-raising strategy and execute it. This is a phone & schmooze job, guaranteed to get you invites to great parties and turn your social life into a delightful whirlwind. Fee on a commission basis.
 2. **P.R./AUDIENCE DEVELOPMENT:** You must be able to write snappy copy, talk to the press and imagine and execute all kinds of ingenious schemes to make every lesbian citizen watch DYKE TV as if her life depended on it. You'll be deluged by party invites. That will be your reward.
 3. **CALENDAR PRODUCER:** You will create a 60-90 second weekly segment--the absolutely best-ever dyke calendar of events in history. You must know everything or want to and have an eclectic heart, equally at home in the Clit Club and in the Harlem Ballet. Video experience desirable. If not, have a strong visual sense. Reward: free tickets to everything.
 4. **"I WAS A LESBIAN CHILD" PRODUCER:** You will produce, every other week, a 90-second segment using old home movies, videos or photographs, which you will have to find yourself in lesbian attics, closets and basements all over the city, the nation and the world. Video experience preferred. Your reward will be both creative and sentimental.
 5. **NEWS STAFF: NEWS PRODUCER; NEWS WRITER/RESEARCHER; NEWS CAMERA PEOPLE.** Solid skills. Access to cameras helpful for camera people. Youthful information junkies with clear political minds totally welcome. Your reward: revolutionize television news, build impressive resume.
